REFLECTION.

If you will reflect for a moment we will explain a few points which are interesting and at the same time save you money.

Is it not clear in your mind that a house with a stock of three thousand pieces of woollens, sponged and ready for the shears, can fit and please you better than ready-made clothiers?

Can we make a garment for you? Style, trimmings and workmanship must be satisfactory or no expense whatever.

SPECIAL HISTORICAL SALE.

In business history woollens have never been so low.

Therefore we can offer a special line of Bristols, Globes, Jersey Eddys and Livingstons Worsted, Cheviots and Serges, in all colorings and mixtures.

SUIT (To order) \$16

TROUSERS (To order) 4

These goods are of the highest standard, guaranteed by the makers for colors, strength and permanent finish.

We give a written guarantee, binding ourselves to keep same in repair one year. No charge.

Samples, fashion review, measuring guide, cheerfully given or mailed to any address.

The Improved Elastic Truss is the only truss in existence that will hold absolute comfort night and day, as it retains the rupture under the hardest exercise or severe strain. Dr. C. H. Hall, of New York, N. Y., says: "I had a rupture of the groin, and after attending to it for several years, I was cured by the use of Dr. C. H. Hall's Elastic Truss."
